

April 2020

Dear Year 6 Student

I wanted to take some time to write to you all and let you know that, despite the disruption the lockdown has had on all of our schools, we are busy behind the scenes working at the best way forward for you all to move up to Bitterne Park School in September.

We are in the process of speaking to all of your primary schools gathering information about you, what your strengths are and what you enjoy about school. We will be working really closely with your Year 6 teachers to try and make the transition process as smooth as possible.

During the next few weeks we are working on ways that we can share information about the transition process and sharing more information with you about moving from Year 6 to Year 7. This will include the opportunity for you to ask any questions you may have.

We invite you to visit the BPS website ([www.bitterneparkschool.org.uk](http://www.bitterneparkschool.org.uk)) to find out as much information about curriculum and the school.

If your parents/carers have not yet returned the registrations forms that were sent out to you in March please can you encourage them to do this as soon as possible. It is really important that we have these forms back to allow us to get all of your information.

Finally, if you or your parents have any questions about moving from primary school to secondary school please contact me on [christopher.cove@bitterneparkschool.org.uk](mailto:christopher.cove@bitterneparkschool.org.uk)

We will be in touch in the coming weeks with more updates.

Best wishes

**Mr C Cove**  
**Head of School KS3**  
**Bitterne Park School**
